

“V”

HOW IT WORKS

First,

So that you know the Foundation of V;

[Excerpted from Vinh’s “[Auto-Bio](#)”]:

*... if you can consider the fact that every principle and every statement embodied in this writing has been thoroughly tested in the laboratory of practical, everyday life, where it was tried and found to be sound by countless great men in the field such as: Carnegie, Rockefeller, Hill, Harriman, Ford, etc. These men whom have accumulated great fortunes of material wealth, you will see that they understood and applied the teachings in which I have learned and will share along with the principles of **Organized Effort**, which will run like a golden cord of indisputable evidence throughout my writings and work.*

Hence,

The essence of “V” comes from its: ***DynamicTrafficChannels "DTC"***;
Working in conjunction with several proprietary elements; Reinforced
with its: Professional Salesman International or “PSI” Call Center; High Caliber
Marketing ***Professionals***; and the ***World’s Biggest Internet Marketing Gurus***;
**all working in Harmony to Propel your Qualified:

Purpose:

By **Civically** harnessing all of the above “**Professional**” elements together (**Organized Effort**) – yielded the Ultimate Marketing “**Weapon**” the world has ever seen – in which was **Engineered for the Individual** to attain that coveted goal called: **Success** within the Network Marketing Industry. This Marketing **Weapon** was fortified into TeamVinh.com’s Flagship - “**VPAK**”.

Problem:

FACT: Over 99% of the Individuals in the Network Marketing Industry – FAIL.

“V”

CONCLUSION:

“V”

Is The Most Valuable Company In The Network Marketing Industry.

Because of the caliber of our initial Marketing Team(s) and its Power, but more importantly, the caliber of the V concept itself and its ability to convert strong – We are confident that V will go “Viral” quickly and surpass the 50,000+ Founders barrier.

During this limited time, you are able to secure a **Founding Members (“FOUNDERS”)** Position, which involves **Profit Sharing** with V.

On top of the fact that the Founders will benefit by being in position before the masses (soon to be millions of members to come), we are setting an additional 2% of TeamVinh’s (off the TOP – GROSS revenues) so that you can PROFIT SHARE alongside with us as V grows!

To further define the Profit Share, it means every single dollar that TeamVinh will generate: commencing on our Official Launch.

Valuably, we also intend to phase in and be involved with industries such as: *Green and/or Alternative Energy, Senior Life Settlements, Real Estate or Real Estate Tax Liens, and worthwhile projects to further diversify.* The bottom line is that every profit dollar of every project that V is involved in will add to the 2% Profit Share!

WHY are we doing all of this?

Because for far too long, Members such as you have been overlooked and not valued nor recognized for your involvement and loyalty. Of course on top of that, you were required to “recruit” or “sponsor” and risk your reputation! V not only wants to change your life soon, but for the long term as well. And we will treat you exactly how you want to be treated – a true “*Founder*”.

NOTICE:

The Very Limited FOUNDERS: 2% Profit Share incentive shall close upon: Reaching 50,000 Founding Partners.
